September 2019 Minutes – currently unavailable

Moorhead Library Board
Board of Trustees, Regular Meeting
November 12th, 2019

Director's Report

Library Activity

Second Grade Tours: The library has been hosting second graders from area elementary schools. During their visits students enjoy a storytime and learn how to find books in the library as well as age-appropriate electronic resources.

Security Issues: Megan, Deb and Jenny are currently working with the Moorhead Police Department to conduct an environmental scan to address problem areas with high instances of safety concerns or security issues.

Programs and Services

This year's One Book, One Community program was a huge success. Nearly 400 people attended the final event featuring a presentation by Fly Girls author Keith O'Brien at the Fargo Air Museum.

Building and Grounds Issues/Maintenance

We are currently working with the city to install a new book drop in the parking lot after the hit and run incident this summer.

Friends of the Moorhead Library

The Friends of the Moorhead Library will hold their 2020 annual meeting Saturday, January 25th at 10:00am.

The Friends are currently looking into the possibility of a used bookstore in the Moorhead Center Mall. More information to come.

Have a Happy Holiday Season – see you in 2020!
