Linda moved that we postpone elections until the next meeting, Sam seconded the motion, all were in favor.
In order to accommodate the new term schedule, the board adopted a new meeting schedule, which will take effect in 2021. The new schedule will be as follows: The second Tuesday of the month at 5:30, during the months of February, April, September and November.

Library Activity

Kai and Jenny hosted several Head Start classes during the month of February. The tours generated multiple new library card signups and interest in our weekly Baby Bounce program.

Leigh and Nicole created a Blind Date with a Binge Bag display available during the month of February. These bags included 3-4 items of the same genre and included various formats. Customers who checked out these bags were not aware of the titles they were checking out. The display was extremely popular and customers checked out every bag Leigh and Nicole created. We are currently discussing how we can offer this service on an ongoing basis.

Coming Up

National Library Week: National Library Week will take place April 19-25. This year’s theme is Find Your Place at the Library.

From the American Library Association website: “There’s something for almost everyone at the library, and each library serves the needs of its own unique community. This is reflected in their collections, in their spaces, and in their programming and events...ways to celebrate National Library Week include:

1. Visit your library.

Head to your public, school, or academic library during National Library Week to see what's new and take part in the celebration. Libraries across the country are participating.

2. Show your support for libraries on social media.

Follow your library, the American Library Association, and I Love Libraries on social media and join the celebration on social media by using the hashtags #NationalLibraryWeek and #LibrariesTransform.”

The Moorhead Library will celebrate National Library Week with the Moorhead Business Association by inviting local businesses to offer discounts to customers who present their library card during this promotional period. We hope to facilitate a mutually beneficial promotion in which we see an increase in library card signups as well as increased traffic at our local businesses. This is a celebration of our community, at which the library is the center. A complete list of participating businesses will be available by the end of March.

Resource Fair: The library will host a Community Resource Fair with several community organizations Tuesday, March 31st from 3:00-6:00. Join us for this networking event to learn about resources available in your community.

Coffee with the Mayor: The library will host Coffee with the Mayor Tuesday, March 31st from 7:00-9:00.
Current Programs and Services

2020 Census: The Moorhead Library is registered as a 2020 Census Questionnaire Assistance Center (QAC). Because 2020 is the first year residents can fill out the census online, we expect an increase in traffic as residents receive their invitations to respond beginning March 12th. The Census informs how billions of federal dollars are allocated each year, including to libraries via the Institute for Museum and Library Services. These funds are primarily available to libraries through state services – in Minnesota, the Department of Education allocates these funds through grant opportunities. LARL has benefited from such grants - most recently by obtaining funds to launch our 1,000 Books Before Kindergarten program.

Moorhead Leaders Are Readers: Thanks to Council Members Shelly Carlson and Sara Watson Curry for showing Moorhead Youth that Moorhead’s Leaders are Readers during the months of January and February. Mayor Judd and Council Member Shelly Dahlquist will participate next - stay tuned for updates.

Staffing Issues

Congratulations to Jess Eaves who was recently promoted from a full-time Assistant position to one of our Librarian positions. Jess has worked for the Moorhead Library for approximately four years and brings a wealth of institutional knowledge, excitement and new ideas.

We are currently working to fill the open 40/hr Assistant position.

Building and Grounds Issues/Maintenance

Upcoming Feasibility Study Update: there is no update on this issue at this time. Information will be shared as it becomes available.

Friends of the Moorhead Library

The Friends will hold their spring book sale March 26 – 28. The bag sale will take place the 28th. Shoppers who bring their Friends of the Library reusable tote bag can fill their bag for $4 rather than $5. Tote bags will be available for purchase at the sale for $8.
