## Summer Library Experience

# SCAVENGER CLUB

Join us for Scavenger Club using the book *The Pocket Scavenger* by Keri Smith as our guide. Please let the library know if you will participate, so we can be sure to have enough books on hand. Books will be provided free of charge by the library. We will meet throughout the summer to share what we've found, exchange ideas, and possibly do some scavenging. At the end of summer, we will have prize drawings for those who have completed half of the scavenges or more!

Within the pages of *The Pocket Scavenger*, you'll be instructed to go on an unusual scavenger hunt, collecting a spectrum of random items. Once your quarry is in hand, you'll apply an alteration dictated solely by chance: create a funny character, make it into a building, conceal it, add polka dots, remove a section, add stripes, scribble on top, fold, turn into an article of clothing, make it "pretty," and so on.

The results: you'll be forced out of habitual ways of thinking or acting, discover new connections, and try things you might not have done on your own, creating a version of *The Pocket Scavenger* that is utterly unique, dependent on time, place, experience, and you.
