Events at the
MCINTOSH PUBLIC LIBRARY

Raptors Rule*
with the Headwaters Science Center
Monday, June 7 from 10:30 — 11:30 a.m.
at the Roholt Park (along Highway 2)
This is an exciting opportunity to get a close-up view of live raptors and learn about the characteristics that make raptors different from other birds. Learn about various raptors found in Minnesota and their habitats as well as what you can do to help preserve the environment and protect these spectacular creatures.

Bee Smart: Dig into the Life of Pollinators*
Monday, June 21 from 10:30 — 11:30 a.m. at the Roholt Park
Let's get up close and personal with Beekeeper's Steph and Mike. We will find out how our plants and food supply are kept alive by our pollinators. Let's find out what it takes to be a beekeeper and what equipment is used. Steph is a beekeeper and owner of Bear Paw Honey Bees.

Fossil Prints*
Monday, July 12 from 10:30 — 11:30 a.m.
at the Roholt Park (along Highway 2)
Making fossils is great fun and not as messy as you might think. Learn how fossils are formed and you will leave with a lasting impression!

Chalk Art
Monday, July 19 from 10:30 - 11:30 a.m.
Outside the McIntosh Public Library
Let's have some fun with chalk! Try your hand at stained glass sidewalk art or mosaic art or just let your creativity flow. Let's get outside and chalk away with the help of Margie Illies, Karen Norland and Jason Steinbrenner.
In the case of rain this event will be canceled.

Weekly Scavenger Hunt
Visit the library each week to participate in a scavenger hunt and win prizes in the library throughout June and July.

*If raining this event will be held in the back room of the McIntosh Community Center (Library Building)

Current health and safety guidelines relating to the COVID-19 pandemic will be followed.
